Project: Marvellous Mehndi App Testing
Date: 28th September 2024
Test Engineer: Areej

Project Description:

Marvellous Mehndi is a mobile application offering a wide collection of mehndi designs at your convenience. Users can browse through numerous mehndi patterns, save their favourite designs, and effortlessly book appointments with mehndi artists. The app enhances the traditional mehndi experience by providing features like categorised design exploration, social media sharing, and easy booking options, With its user-friendly interface and smooth navigation, Marvellous Mehndi effectively connects mehndi enthusiasts and artists in an innovative and accessible manner.
